

PAUL MARCOLONGO, MBA

Affiliate Consultant in Risk Management

Professional Expertise

Mr. Paul Marcolongo is the Affiliate Consultant in Risk Management for Analytic Focus. In this role, Mr. Marcolongo provides executive level service for clients in regards to risk management, regulatory compliance, portfolio optimization and banking operations.

Mr. Marcolongo has over 25 years of experience in the financial services industry, with emphasis on Residential Mortgage Backed Securities. His expertise includes credit policy and eligibility standards, securitization, contract negotiation, project and client management. His ability to analyze financial products improves the performance of a client's loan portfolio in order to manage and control enterprise credit risk.

In his career, Mr. Marcolongo has previously served as Vice President of Risk Management for Radian, Director of Risk Management for PHH Mortgage, and Director for Enterprise Management for Fannie Mae.
