

SCOTT PHILLIPS

Associate Director of Financial Services Consulting

Professional Expertise

Scott Phillips is the Associate Director of Financial Services Consulting for Analytic Focus, LLC.

Mr. Phillips has over 20 years of experience in the financial services industry focused in mortgage underwriting and quality assurance.

Mr. Phillips is part of an underwriting team that has been at the forefront of re-underwriting loans dealing with the mortgage backed securitization issues of the 2000s. Since 2009, the Analytic Focus underwriting team has manually reviewed over 250,000 mortgage loans representing millions of loans pooled into securitizations then sold to investors, institutions and the market. The work of the underwriting team has been involved in numerous high-profile lawsuits across the country.

During his career, Mr. Phillips has overseen the compliance and audit requirements for mortgage portfolios in excess of \$600 Million in annual loan volume, including all reporting for quarterly and annual reports to Government Sponsored Enterprises and other regulatory bodies in the United States.

Prior to joining Analytic Focus, Mr. Phillips worked with companies including Acopia Capital Group, First Choice Funding, Inc. and EquiCredit Corporation.
